ANGELA ASADOORIAN
BROKER OF RECORD

It is our privilege to applaud the success of our Top Producing sales representatives. 2017 was certainly an unusual year in Real Estate across Ontario, and Cambridge shared that roller coaster ride of dynamic pricing. These agents each were uniquely able to react to the ever changing marketplace and make sure that Buyers and Sellers were treated fairly and ethically while working within a crazy real estate environment.

The "Hube Team" are well recognized sales leaders across Cambridge, and we are pleased to award them the new 2017 Red Diamond Award which represents the top 2% of Sales Leaders of over 17,000 agents across Canada. Contact Scott, Lisa or Jessica any time for your personal market update, or just to share your congratulations on attaining this prestigious sales award.
